

Locus Focus and the Carbon Trade Watch

by KBOO, Portland Community Radio
Thursday, 31 January 2008

US Tour

47:10 minutes (43.19 MB)

Kevin Smith and Tamra Gilbertson, leading critics of international climate change policy and researchers with www.carbonradewatch.org will tell us what's wrong with carbon credits, how they do nothing to fight global warming, and even exacerbate the problem.
