Spokesmen and bureaucrats of multinational capitalist corporations will be in Istanbul, Turkey on 6 – 7 October for the 2009 Annual Meetings of the Boards of Governors of the World Bank Group and the International Monetary Fund where they will have decisions to destroy the lives of billions of people. We call for a week of global resistance and actions against IMF and WB between 1-8 October. In Istanbul we are planning to organize workshops, exhibitions, movie screenings, conversations and activities against IMF and World Bank
